Tempranillo

2021

Langhorne Creek

The Tempranillo is a well-known Spanish grape variety that when grown in the Langhorne Creek region shows early ripening with beautiful dark red overtones.

The bouquet from this wine is evocative of dark plums and cherries.

On the palate this is a juicy light red wine with soft tannins and hints of herb and licorice.

The soft subtle nature of this wine makes it ideally suited to light tapas style dishes.
